

February 2026

February is Library Lovers Month, and we're feeling especially grateful for you—our library patrons! The Dalles Library has always been more than shelves and books; it's a place to connect, explore, and feel at home in your community. Whether you visit us every week or are just stopping by for the first time, we're so glad you're part of our library community.

This month, we invite you to come on over, slow down, and spend some time with us. Build new friendships and nurture old ones as you discover a great book, learn a craft, or try something completely new. Celebrate Valentine's Day with a Couples Swing Dance class, or dive inward with our Dream Study Group, Gifts from Our Subconscious, taught by Nancy Turner. If you're looking to spark your creativity, join a writing class, explore a hobby, or connect with others through one of our welcoming book clubs.

Families will find plenty to love this February as well. Bring the kids to meet the Portland Pilots Basketball team and get some fun pointers, or celebrate reading together at our Dr. Seuss Birthday Party. For our youngest readers, we offer storytimes for the littles every weekday morning at 10:30—a perfect way to start the day with stories, songs, and smiles.

Evenings and weekends are for family fun, too! Join us every Thursday at 6:00 for a rotating Family Activity Night, including Family Storytime Sweetshop and Coloring Cafe, Family STEAM Night, Family Craft Night and the beloved, Family Lego Pizza Night. You can also enjoy a live family performance the first Saturday of every month, making the library a place where all ages can learn, play, and grow together.

However you choose to spend your time here, know that the library is a place where everyone belongs. We can't wait to see you and share the love of libraries all month long.
